## Newfield/Pelton Lane Ends Residents Association

Dear Fellow Resident,

As you may well know, Persimmon Homes have submitted plans for 252 homes to be built on land at Newfield Farm, which is on land between Pelton and Newfield.

This leaflet lists some of the issues that you might find useful to consider about the plans and the impact that they will have both in Newfield and the Greater Pelton area. Full sets of the plans and proposals are available to view both at Pelton Library and at the Council Offices.

In the interests of the community both now and for the future it is vital that the voices of existing residents are heard in the planning process whether for or against the proposal as it now stands. We'd be grateful if you could complete the form on the inside of this leaflet and send it to Stephen Reed, Acting Planning Service Manager, Chester le Street District Council **before 24th December 2006.**

Thank you for your time and interest,

***Newfield / Pelton Lane Ends  
Residents Association.***
